# VOTE FOR ELLIOT BROWN

## ATU CONFERENCE DELEGATE, SEAT 6

I'm running for ATU Conference Delegate on a program to fight back against the company's attacks! It's time we stop negotiating—pleading—with our backs against the wall. We can stop the trains and buses on a dime. We need to consolidate that power and use it for once!

Here's how:

- ***Demand wages high enough so we can live where we work!*** We should have voted down the contract and fought for higher raises to win back what we've lost to inflation and giveback contracts, plus full cost-of-living adjustments (COLA) against inflation. We shouldn't have to work tons of overtime and endure long commutes just to afford rent or mortgage!
- ***Unleash union power!*** Down with union probation and the no-strike clause! Increase the strike fund now! Coordinate actions in and between the unions!
- ***Fight against all divisions that drive down our wages and benefits!*** Abolish tiers and steps! Equal pay for equal work! Defend immigrants with union action, not sanctuary state and city scams! Fight to end segregation on and off the job! For one seniority list, with shift and weekend pay differential and massive hiring so no one gets bumped!
- ***Merge ATU, TCU and SMART into one fighting union!*** United we are stronger!
- ***Oppose the Democrats and Republicans! Let's build a party that puts workers in charge from top to bottom!*** Trump will make workers' lives miserable, but the Democrats paved the way! The union brass tells us to vote for Democrats, but you can't fight the bosses if you're in bed with their political parties. There *was* a working-class alternative in the national elections: Claudia De la Cruz of the Party for Socialism and Liberation for President and ATU 1277 brother Juan Rey for US Congress.

***Vote for me for ATU Conference Delegate, Seat 6!***
