

DEFEND EACH MEMBER DEFEND THE UNION

Unions are facing headwinds. While gas and housing costs rise, the government spends more and more on war. No contract can protect us from coming budget cuts. We cannot stick our heads in the sand and assume we will be spared. We must build up our defenses now!

As a member of the Executive Board, I will advocate and vote to:

- **Defend all gains, for every member!** No loss in pay from Commercial Drivers License revocation! Fight to reclaim 23-and-out pensions for all! No to outsourcing and automation!
- **Combat divisions to strengthen the union!** Down with union probation! End tiers and steps—equal pay for equal work at the highest rate! Fight to end segregation!
- **Rely on union power not the bosses!** Democrats and Republicans work for the bosses—no more union money for their parties! Increase the strike fund instead and kill the no-strike clause! Coordinate action among transit unions—united we are stronger!

Vote for me for E-Board Member at Large, Seat 2! I seek a part-time position where I will continue working on the floor at my current wage. I pledge to earmark the extra earnings that come with the office—non-payment of dues and the extra payments for meeting attendance—for uses beneficial to union members and the union movement. All extra earnings and receipts will be tracked transparently on my website.
